

## Sawdust wood pallet Equipment

Scenix pallet supplies high quality Sawdust wood pallet Equipment. We are professional manufacturer for innovative presswood pallets and compressed wood pallet machines in Qingdao, China. Customer satisfaction is our biggest goal.

### Product Introduction

Hot Sale China Sawdust wood pallet Equipment Manufacturers and Suppliers. Senyu is a Sawdust wood pallet Equipment manufacturer and supplier in China. Our goal will be to satisfy our clients by offering golden provider, great cost and top quality for Low MOQ for China Hydraulic Sawdust Briquette Press Machine Wood Pallet Block Hot Press Machine, We welcome an prospect to do enterprise along with you and hope to have pleasure in attaching further more information of our items. Low MOQ for China Wood Pallet Production Line, Wood Pallet Making Machine, During the short years, we serve our clients honestly as Quality First, Integrity Prime, Delivery Timely, which has earned us an outstanding reputation and an impressive client care portfolio. Looking forward to working with you Now!

### Sawdust wood pallet Equipment Suppliers, Factory, and Manufacturers

#### Introduction of Sawdust wood pallet Equipment

For the presswood pallet, the raw materials can be wood chips, straw, etc., which is the overall structure, panel and 9 support feet once mold shaped. The upper surface of the pallet plate is smooth, can meet the transport of various goods, the under surface uses stiffener. Plate longitudinal and horizontal force is balance, nine foot distribution to meet the forklift four-way insert. It is a four-way fork in, single-sided pallet.

Sawdust wood pallet Equipment includes Crushing machine, Drying machine, Glue mixing machine and wooden pallet forming machine. We can design automatic and semi-auto machinery with different capacity according to customer demands and investment capital.

**2.Specification of Sawdust wood pallet Equipment**

ITEM	UNIT	MODEL
		SY-1000
Working pressure	Mpa	18-20
Output pressure	T	1000
Main oil cylinder diameter	mm	400
Main oil cylinder quantity	pcs	4
Cylinder stroke	mm	600
Maximum size of pallet	mm	1300×1200
Motor power	KW	11
Weight of machine	T	23

Machine dimension	mm (L×W×H)	3300×1600×3400
Production capacity	pcs/24H	200

### Sawdust wood pallet Equipment APPLICATION

This Moulded wood pallet production line is mainly used in production plants for production turnover or packaging, and is also an ideal product for logistics enterprises and storage enterprises. It has the characteristics of quarantine-free and low price, and is very popular among users. Proved by the market, the products are now in short supply.

- 1.The wood pallet making machine also called wood molded pallet machine, is a new type of one time forming machine.
- 2.The hot press wood molded pallet making machine has the performance of good stability,high efficiency,energy saving and automatic control.It can use both the steam and the thermal oil for hot pressing.
- 3.It is very convenient for installation and do not need basic positioning,the hot compress wood pallet making machine is a very good equipment for wood recycling and solution to your waste wood.

**Drum chipper**

### Details Of Sawdust wood pallet Equipment

- (1) Equipment design: Special internal design made the framework has a very high tensile strength, strong rigidity and stable..
- (2) Hydraulic system: It has an independent hydraulic system and adopts a two-way cartridge valve, which is small and light, compact in structure, small in flow resistance, large in flow, sensitive in action, reliable in work, good in sealing performance, easy to maintain, and long in service life and etc, working pressure can be adjusted within the parameter range.
- (3) Control system: Easy and simple to handle, control cabinets can be automatic and manual control.
- (4) Automatic control mode: Press the start button to automatically complete a pallet pressing process, and automatically complete the finished product ejection and automatic palletizing to reduce manual handling. It can be switched to manual mode, and the manual button controls the slider to rise, fall and unload.
- (5) Safety device  
The motor control part has thermal protectors, circuit breakers, etc., to protect the motor from

overloading damage and over-current short-circuit.

There are independent relief valves for rising and falling oil cylinders to ensure pressure not overloaded.

Overpressure protection: It stops working when the set pressure is reached.

### **Delivery and Shipping Service of Sawdust wood pallet Equipment**

Shipping methods:

By Sea: From Qingdao seaport

By Train or by Land

Payment methods:

T/T, Paypal, Western union, Moneygram, Cash

## Faq

Q: Can I visit your factory?

A: Yes. Many domestic and international customers visit our factory every year. Our company is located in Qingdao, Shandong province, China, you can come here by air or train. The nearest airport is Qingdao Jiaodong International Airport, and the Airport Code is TAO. We will pick you up at airport. Welcome to visit our factory.

Q: What is the Quality of your products?

A: Scenix products come with best quality, and our products passed CE certification, exported to lots countries around the world, such as Australia, Malaysia, India, Italy, Indonesia, Vietnam, Philippines, Korea, Brazil, Argentina, Russia, South Africa, etc. You can rest assured with the quality absolutely.

Q: What is the Installation of your products?

A: Scenix has several experienced technicians with passports ready to go for installation, when installation service is needed, the client should pay for technicians' round way air tickets, food and lodging, most importantly to guarantee the technician's safety.

Q: What should I provide to get the suitable quotation?

- A: 1. What is the raw material for the production line?
2. What is the capacity per hour you required?
3. What is the maximum input size of the raw material?
4. What is the output size and application for the final product?

You can send inquiries: [info@ecopallet.cn](mailto:info@ecopallet.cn)

Once we get your answers, we can provide you the best quotation immediately.

Remarks: The price will depend on different models.

## Company

Qingdao Senyu Environmental Protection Technology Co., Ltd. is situated in the beautiful city of Qingdao, China, specialized in the R&D, sales and manufacturing of compressed wood pallet, presswood pallet and Sawdust wood pallet Equipment. Through years of strenuous effort, Scenix has started to play an important role in this market with an annual output of 5800,000pcs. Since its very beginning, the company has been committing itself to the belief "focus on reducing costs, creating value for customers".

Thanks to its competitive prices, quality products and post sale services, the company wins a lion's share of the industrial market with its reach into many fields of chemical, auto-parts, printing, food and the like. Most of our customers are repeat order reputable customers from Middle East, Asia, Europe, United States and other foreign countries.

Now we owns 3 branch companies, from the collection of raw materials to the manufacturing of the customized mold, from R&D team to marketing & trading team(Qingdao Yuking New materials). Scenix has the ability to control all the production process of the industry chain. Qingdao Scenix is stepping up its effort to build up itself into an international brand.
